STAT

Thank you for sending along your suggestion for historical displays. It is an excellent idea and could provide a realistic beginning for a possible intelligence museum. I would be interested to learn what answer you receive to your official suggestion.

In the meantime I'll let you know if we make any further progress at this end.

Thanks again.

Remarks:
At our recent staff meeting, mention of the idea of an agency museum was brought out; by way of background, I thought you might be interested in the attached suggestion which is now in process. It was unclear in the staff meeting how the activity was proposed., but in any case it is a good one.
